

## **Dear Community,**

my name is Angie Radtke, and I am submitting my candidacy for the role of Secretary within the Joomla project, serving until the next election in March.

I have been active in the Joomla community for many years, contributing to various areas of the project and supporting its growth and development. Joomla has been an important part of my professional and personal journey, and I have always been committed to helping our CMS and our community move forward.

### **Why I Am Running**

The role of Secretary plays a crucial part in ensuring the organizational and administrative stability of the project. It requires structure, reliability, and clear communication.

I am stepping forward to:

- Ensure stability during this transitional period,
- Maintain clear, accurate, and transparent documentation and minutes,
- Support the Board and teams in their administrative tasks.
- 

### **Why Only Until the Next Election**

I want to be transparent: my available time and resources are limited. For that reason, I can commit to this role only until the next official election in March. It is important to me that the role is carried out reliably, and I am prepared to ensure continuity until someone with the capacity for a long-term commitment is elected.

Please note that I have no expertise in legal matters and will need to refer to appropriate resources or experts if legal advice is required. I am very much relying on the support of the other board members.

### **My Understanding of the Role**

During my term, my priorities will be:

1. Structured and careful handling of all administrative responsibilities,
2. Transparency in processes and communication,
3. Reliable collaboration with the Board and all teams,
4. Neutrality in serving the best interests of the project.

### **My Contribution to the Community**

Joomla has been close to my heart for many years. I want to use my long-standing experience to help guide the project smoothly through this transitional phase. A well-functioning Office of the Secretary supports the entire organization — and I am committed to providing exactly that.

### **Closing Words**

Thank you for your trust and your continued support. I am ready to take on the Secretary role responsibly, transparently, and with dedication until the next election in March.
