

## **Manifesto for Operations Department Coordinator – Open Source Matters, Inc.**

**Full Name:** Harshvardhan Soni

**Country:** India

**Position:** Operations Department Coordinator

---

### **Introduction**

I am excited to submit my candidature for the position of Operations Department Coordinator at Open Source Matters, Inc. As an active contributor to the Joomla community and a passionate advocate for open-source technology, I bring a wealth of experience in project management, security, and operations that will help drive Joomla's mission forward.

---

### **My Experience & Contributions**

- **Leadership & Community Engagement:** I actively participated in the recent Cyber-Security Conference, where I managed a Joomla booth, engaging over 100 attendees and discussing Joomla's authentication and authorization solutions.
  - **Technical Expertise:** My professional background includes working on authentication, authorization, and identity management solutions at miniOrange. My expertise in LDAP, NTLM authentication, user synchronization, and security protocols enables me to contribute meaningfully to Joomla's infrastructure and operations.
  - **Security Advocacy:** My deep interest in cybersecurity has been further strengthened by attending key industry sessions, including those led by leaders like Anirban Mukherji and Raj Sabhlok. I also demonstrated my knowledge by winning a security protocols quiz at the conference.
-

## My Vision & Goals

If elected as the Operations Department Coordinator, I will focus on:

1. **Enhancing Operational Efficiency:** Implementing streamlined workflows to improve Joomla's project management and operational effectiveness.
  2. **Strengthening Security & Compliance:** Ensuring Joomla's operational infrastructure adheres to the highest security standards and best practices.
  3. **Community Collaboration & Transparency:** Fostering stronger collaboration between teams and maintaining clear communication about Joomla's operational developments.
  4. **Expanding Joomla's Reach:** Encouraging more contributors and users to adopt Joomla through targeted outreach and engagement efforts.
- 

## Why Vote for Me?

My combination of technical expertise, leadership experience, and deep commitment to Joomla makes me an ideal candidate for this role. I am dedicated to fostering a vibrant, secure, and efficient Joomla ecosystem and ensuring that Joomla remains a leading open-source CMS for years to come.

I look forward to the opportunity to serve and contribute to Joomla's success.
